## FEEDBACK ANALYSIS REPORT(2022-23)

### FEEDBACK FROM STUDENTS:

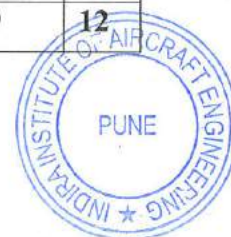

We are collecting feedback from our students personally. We have designed a special feedback form on curriculum development. We are also collecting feedback from students on „Faculty performance and subject review. We started collecting curriculum feedback from Academic Year2022-23. The year-wise analysis of student's feedback on the curriculum is presented below:

Academic year	Course	No.of students
2022-23	B.Sc. Aviation	106

Student feedback Students are the most stakeholders of an institution. Feedback was collected from students about teaching learning and regular conduct of classes, college infrastructure, safety and security in the college premises , industry—academia exposure provided by the college, canteen facilities and extracurricular activities in the college. Most of the feedback obtained was positive.

### Feedback from Academic Year 2022-23

## MAJOR OBSERVATIONS AND ACTION TAKEN

1. It was noticed that, majority of student i.e. 69% of the students have responded that, the syllabus, academic content in creating interest in them. 77% of the students have responded that, the syllabus, academic content is very good. There is a scope for the teachers to create interest among the students about the syllabus.

2. It was observed that, 72% of the students have said availability of the reference books is good. It was found around 28% students were not satisfied with availability of reference books in the college. Therefore, it is recommended to buy more reference books in the college.

3. It was found that, over 95% students feel that, the teacher's regularity to class was good. Therefore, it was recommended to the teacher's that, they should maintain the regularity and improve it to satisfy remaining 5% of students

4. It was recommended to the teachers should continue in preparing to classes on regular basis.

5. It was observed that, around 92% students have said that, the teacher's presentation and communication skills were good. It was recommended to the teachers should continue maintaining and improving effectiveness of presentation and communication skills in classes so that remaining 8% student enjoy the classes.

6. It was found that, over 86% students have said that, the teacher's knowledge on usage of ICT was good.

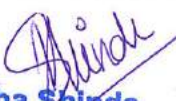

But 14% students feel that, improvements are required in enhancing knowledge on usage of ICT of the teacher. The reason behind this may be the unavailability of the ICT tools. Hence, it is recommended to the college, to provide necessary ICT tools to the teachers as and when required to improve the ICT enabled learning in the college.

7. Time allotment for the interaction of students to get clarified their doubts and to boost their confidence. It was observed that, over 91% of students feel that the teachers have given good time for interactions. It is recommended to the teachers to give sufficient time for interaction to the students as 9% students feel that, they get less interaction time.

8. It was found that, more than 89% students feel that, the teacher's internal assessment process was good. But 8% of them feel improvements in the process of internal assessment. Therefore, it is recommended to the teachers to improve the process of internal assessment of the student.

9. Guidance and mentoring play a vital role in the development of students learning process. It was found that, over 91% students were satisfied with guidance and mentoring by the teachers in the college. It is recommended to the teachers to improve the guidance and mentoring process.

10. It was observed that, over 78% students feel the overall effectiveness of the teacher was good. There is a scope for further improvement here and hence it is recommended to the teachers to enhance their overall effectiveness

## FEEDBACK FROM ALUMNI

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities and employability of our students. We appeal our alumni to provide there sincere feedback to us though mails and during alumni meet. Till now we have received feedback from total 38alumni.

We asked our students to give a special comment on the curriculum of the university. Based on the comments of the alumni, the analysis is done as follows:

Parameters	No. of alumni	Percentage(%)
Good and requires no change	7	15
Need to add more practical approach	9	20
Need to add extracurricular Activities and placement	5	10
Need at add latest technology	2	3
Not commented	24	52

- The feedback report shows that 15% students feel that the curriculum designed by the university is good and require no change.
- 20% of alumni feel that there is need to add more practical approach in the curriculum.
- 10%students feel that there is need to add extracurricular activities and activities related to placements in the curricular.
- 3% students feel that there is need to add latest technology in the syllabus.

## EMPLOYER'S FEEDBACK:

Our employers are our major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters like Indamer Aviation Pvt. Ltd., AI Engineering Services Ltd., GMR Air Cargo and Aerospace Engineering Ltd., Go first (Mumbai).

### Analysis of the Feedback:

We have collected feedback from the employers where we ask our employers to comment on the curriculum. We have received feedback from 4 employers. But no special comment was given on the curriculum. However, we did following analysis from the received feedback forms:

- In general the employers are happy with the student of the our institute and they rated the performance of our students as "Good" and "Satisfactory"
- The employers reported that they would like to employ more students from our institute
- The employers also reported that they would like to recommend our students to other organization

## FEEDBACK ANALYSIS REPORT (2020-21)

### FEEDBACK FROM STUDENTS:

We are collecting feedback from our students personally. We have designed a special feedback form on curriculum development. We are also collecting feedback from students on „Faculty performance and subject review. We started collecting curriculum feedback from Academic Year 2020-21. The year-wise analysis of student's feedback on the curriculum is presented below:

Academic year	Course	No.of students
2020-21	B.Sc. Aviation	29

Student feedback Students are the most stakeholders of an institution. Feedback was collected from students about teaching learning and regular conduct of classes, college infrastructure, safety and security in the college premises , industry—academia exposure provided by the college, canteen facilities and extracurricular activities in the college. Most of the feedback obtained was positive.

## MAJOR OBSERVATIONS AND ACTION TAKEN

1. It was noticed that, majority of student i.e. 55% of the students have responded that, the syllabus, academic content in creating interest in them. 41% of the students have responded that, the syllabus, academic content is very good. There is a scope for the teachers to create interest among the students about the syllabus.
2. It was observed that, 72% of the students have said availability of the reference books is good. It was found around 28% students were not satisfied with availability of reference books in the college. Therefore, it is recommended to buy more reference books in the college.
3. It was found that, over 95% students feel that, the teacher's regularity to class was good. Therefore, it was recommended to the teacher's that, they should maintain the regularity and improve it to satisfy remaining 5% of students
4. It was recommended to the teachers should continue in preparing to classes on regular basis.
5. It was observed that, around 92% students have said that, the teacher's presentation and communication skills were good. It was recommended to the teachers should continue maintaining and improving effectiveness of presentation and communication skills in classes so that remaining 8% student enjoy the classes.
6. It was found that, over 86% students have said that, the teacher's knowledge on usage of ICT was good.  
But 14% students feel that, improvements are required in enhancing knowledge on usage of ICT of the teacher. The reason behind this may be the unavailability of the ICT tools. Hence, it is recommended to the college, to provide necessary ICT tools to the teachers as and when required to improve the ICT enabled learning in the college.
7. Time allotment for the interaction of students to get clarified their doubts and to boost their confidence. It was observed that, over 88% of students feel that the teachers have given good time for interactions. It is recommended to the teachers to give sufficient time for interaction to the students as 9% students feel that, they get less interaction time.
8. It was found that, more than 92% students feel that, the teacher's internal assessment process was good. But 8% of them feel improvements in the process of internal assessment. Therefore, it is recommended to the teachers to improve the process of internal assessment of the student.
9. Guidance and mentoring play a vital role in the development of students learning process. It was found that, over 91% students were satisfied with guidance and

mentoring by the teachers in the college. It is recommended to the teachers to improve the guidance and mentoring process.

10. It was observed that, over 78% students feel the overall effectiveness of the teacher was good. There is a scope for further improvement here and hence it is recommended to the teachers to enhance their overall effectiveness

## FEEDBACK ANALYSIS REPORT

### FEEDBACK FROM ALUMNI

Our alumni feedback is valuable for us as it provides us the inputs regarding improvement in facilities and employability of our students. We appeal our alumni to provide their sincere feedback to us through mails and during alumni meet. Till now we have received feedback from total 38 alumni.

We asked our students to give a special comment on the curriculum of the university. Based on the comments of the alumni, the analysis is done as follows:

Parameters	No. of alumni	Percentage(%)
Good and requires no change	5	18
Need to add more practical approach	8	29
Need to add extracurricular Activities and placement	1	5
Need to add latest technology	4	13
Not commented	9	34

- The feedback report shows that 18% students feel that the curriculum designed by the university is good and requires no change.
- 29% of alumni feel that there is a need to add more practical approach in the curriculum. 5% students feel that there is a need to add extra-curricular activities and activities related to placements in the curriculum.
- 13% students feel that there is a need to add latest technology in the syllabus. 34% students did not comment anything on the curriculum.

## EMPLOYER'S FEEDBACK:

Our employers are our major stakeholders, feedback of whom gives us input regarding enhancing the employability of our students. Their feedback is valuable for us as it provides the basis for further enrichment in curriculum aspects and overall performance of students. We have received feedback from our major recruiters like Indamer Aviation Pvt. Ltd., AI Engineering Services Ltd., GMR Air Cargo and Aerospace Engineering Ltd., Go first (Mumbai).

### Analysis of the Feedback:

We have collected feedback from the employers where we ask our employers to comment on the curriculum. We have received feedback from 4 employers. But no special comment was given on the curriculum. However, we did following analysis from the received feedback forms:

- In general the employers are happy with the student of the our institute and they rated the performance of our students as "Good" and "Satisfactory"
- The employers reported that they would like to employ more students from our institute
- The employers also reported that they would like to recommend our students to other organization
