To,
Dean of Science and Technology
Savitribai Phule Pune University, Pune-07

Subject: Approval of proposed faculty norms & appointing a staff selection committee for faculty recruitment.

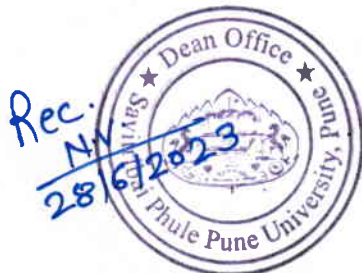

Respected Sir,

We would like to bring in your notice that, we have applied for NAAC accreditation & IIQA for the same also has been submitted through the HEI's Portal & also the payment has been made in respect to the application vide ref no. **01902IIQA01/2023** on 3rd June, 2023.

The most important thing after IIQA acceptance we have to submit the Section B on NAAC Manual 2023 for Affiliated colleges in the format of SSR (Self Study Report) of the Institute within 45 days as per point **VI. Procedural Details (3) mentioned in NAAC manual**, which comprises of Executive summary, profile of the college, extended profile of the college & QIF (Quality Indicator Framework) which includes 7 sub-parts.

In the above mentioned 2 parts viz. Profile of the college & extended profile of the college, we have to submit various details which are directly & indirectly related to the permanent faculty position during last five years. Regarding the faculty approval for B. Sc. Aviation course the institute has submitted proposals & requests several times within AY 2021-22 & 2022-23 to the good office of Affiliation Section, Dean office & Department of Technology but in spite of several reminders we haven't received the faculty norms from the University & due to this we cannot recruit the permanent faculty for the B.Sc. Aviation course which comes under ordinance 125.

Kindly make a note on the request to approve the proposed faculty norms as soon as possible because we have 45 days limitation to submit Self Study Report to the NAAC. As there are only 2 colleges affiliated to Savitribai Phule Pune University which runs B. Sc. Aviation UG degree program we would request you to appoint a committee which would help to fasten up the process of approval of proposed faculty norms as well as the recruitment as per university norms. If we do not submit the same as per the NAAC manual page no. 31, the institute will have to face loss of IIQA application fees & SSR submission fees (at the time of SSR submission) as per **XI. The fee structure & other financial implications (1) IIQA Fee of Rs. 29,500/- & (2) Assessment and Accreditation fee of Rs. 59,000/-**.

Continued...

In this revised proposal, reference has been made to the approved qualification for faculty members of B.Sc. (Aeronautics) course of University of Mumbai. The extract of Academic Council circular dated 25 May 2011 of University of Mumbai is attached as appendix 'A' ready for reference. The details are as follows:-

Sr. No.	Post	Eligibility Criteria
1	Principal	<ol style="list-style-type: none"> 1. Ph D in Electrical / Electronic OR one of the aviation related subjects OR 2. ME / MTECH / MSC with minimum 10 years of Teaching Experience
2	Teacher	<ol style="list-style-type: none"> 1. Aircraft Maintenance Engineering (AME) in Mechanical Stream + 01 year of industrial or 2 years of Instructional Experience in Aviation Industry or Allied fields. OR 2. Aircraft Maintenance Engineering (AME) in Avionics Stream + 01 years of industrial or 02 years Instructional Experience in Aviation Industry or Allied fields. OR 3. Ex- Indian Air force (Diploma/Degree) airframe fitter/workshop Fitter with 10 to 15 years of practical experience of workshop/labs in IAF. 4. BE./B.Tech/ME/M. Tech in Mechanical Engineering/Aeronautical engineering or aerospace Engineering/Equivalent+02 Years of Industrial or Instructional Experience in Aviation Industry or Allied fields.
3	Workshop Technician	<ol style="list-style-type: none"> 1. AME / ITI technician having at least Five years of Aviation experience as a technician of which one year in the workshop for maintenance. Or 2. Diploma in engineering with more than Five years of practical experience in aviation industry

Keeping the above mentioned recommendation semester wise and subject wise teacher's qualification has attached herewith as appendix I to this proposal. under consideration, been deliberated and it is requested to approve the qualifying requirements for the faculty of various subjects for B.Sc.(Aviation) undergraduate degree course being conducted at IIAE under the aegis of SPPU. Pending final approval ADHOC permission may be given at the earliest.

Attachments:

1. IIQA details submitted on college login under the information gathering related to NAAC tab on college profile.
2. NAAC Manual 2023 for Affiliated/Constituent Colleges.
3. Faculty norms for B. Sc. Aeronautics of Mumbai University.
4. Proof of Equivalency of AME / BE
